

Your website construction makes it very difficult to send comments. I have already written extensive comments which are now lost. The gist of these were that Pappa's unfair usage of their control of part of the digital spectrum is a GROSS ABUSE OF THE PUBLIC TRUST. Giving away valuable airtime for partisan advantage is simply not right. There must be equal time given to opposing views or the licenses of these organizations must be revoked IMMEDIATELY. Mr Powell, you and your father are a disgrace. You both have been assisting in the implementation of policies of the right wing of the Republican Party who's apparent goal is amassing power and wealth at the expense of the common citizen. That is UNDEMOCRATIC and must stop. Don't you two have ANY principles?
